RE: RELEASES FOR INTERIM

Wofford College requires that each student in an Interim project which will take him or her off the Wofford campus for all or part of the Interim period, and each student who is to do any independent project, execute a document releasing the College from various liabilities and responsibilities.

The nature of the project in which you are enrolled is such that the Release must be executed and submitted by each participant in the project.

You must see to it that the Release is executed and signed properly, and received by Wofford College.

INSTRUCTIONS:

If you are under 21 years of age, both you and your parent/guardian are to sign and date the Release, each in the presence of a witness, who also is to sign. (A witness's signature should appear on each of the two "Witnessed by" lines.)

If you are 21 years of age or older (and are not enrolled in a travel/study project), only your signature, dated, and that of a witness to your signing are required.

If your project is a travel/study program, the witnessed and dated signatures of both you and your parent/guardian are required, regardless of your age. (A witness's signature should appear on each of the two "Witnessed by" lines.)

The Release and signatures need not be notarized. Releases may be faxed or scanned and emailed and **should be submitted to the project sponsor**.
