

WOFFORD

Behavior Contract Travel/Study Projects

I understand that while participating in this Travel/Study Interim Project off campus, I am bound by the Wofford College Code of Student Rights and Responsibilities and the Wofford College Honor Code.

I recognize that as a participant in the Travel/Study Interim Project my conduct can have an effect on the educational and other benefits intended by the Project, both for myself and other participants. I agree that I will conduct myself in a manner that will support mutually beneficial interactions with other students, **and is consistent with local and state laws and/or with the social and legal standards of countries I might visit as a part of the trip** (recognizing that such standards might be significantly different from those at Wofford College, Spartanburg, SC). **I understand that there will be unsupervised free time during which I am responsible for my own conduct and safety.** Excessive use of alcoholic beverages, loud and abusive behavior toward others, sexual harassment, use of drugs for other than medicinal purposes, use of abusive language, unauthorized absences and/or unwillingness to cooperate with other members of the class, or the Faculty Sponsor(s) are all unacceptable behaviors for myself and other participants.

I understand that such actions, and/or other behavior of a similar nature or impact which, in the sole opinion of the sponsoring faculty, might be damaging to the Project, or other participants, may lead to dismissal. I agree that I will receive no refunds for any missed part of the trip, and I am responsible for any additional fees that may incur due to dismissal.

Should my conduct during supervised or unsupervised time put myself or my colleagues at risk, I understand that the project's faculty sponsor has the right and responsibility to conduct an on-site hearing and to levy whatever sanctions are deemed appropriate, including immediate dismissal from the project. Additionally, I understand that the faculty sponsor is the sole arbiter in issues of due process and sanctions.

Upon notification of my dismissal from a travel/study project, I understand that I am no longer an enrolled Wofford College student and therefore am responsible for myself and my return home.
